Regional Directorates for Primary and Secondary Education

They are decentralized regional administrative structures of the Greek Ministry of Education, Research and Religious Affairs.

There are 13 Regional Directorates of Education in Greece (one in every region).

The main task of a Regional Directorate is to co-ordinate, supplement, back up and implement the educational policies of the Ministry, along with supervising the implementation of various education projects, like European projects, in schools.

The Regional Directorate for Primary and Secondary Education of Attica **consists of the following:**

- An Administration Department
- A Department of Pedagogical Guidance for Primary Education and
- A Department of Pedagogical Guidance for Secondary Education

The following **services** come also under the respective Directorates :

- The Regional Lifelong learning Centers - for teachers and educators in the region (Π.Ε.Κ.)
- The Centers of Differential Assessment, Diagnosis and Support of Special Education Needs (ΚΕ.Δ.Δ.Υ.)
- Environmental Education Centers (Κ.Π.Ε.)
- Preschool, Primary, Special and Secondary Education Consultants

At the headquarters of each Regional Education Directorate a Higher Regional Primary and Secondary Education Service Council operates respectively (ΑΠΥΣΠΕ and ΑΠΥΣΔΕ)

The Regional Directorate's main scope:

- implementation of educational policy
- to manage, control, co-ordinate the educational and administrative operation of primary and secondary schools and other educational structures in the region
- the allocation of human resources
- to direct, co-ordinate and monitor school consultants
- in-service training and teacher development
- to conduct educational research
- to collaborate with major stakeholders for innovation in the field of education
- to organize educational meetings, day events and conferences

Within the frame of its scopes the Regional Directorate is especially in charge of the implementation of the Ministry's educational policy on:

- the education of refugee and migrant children
- the implementation and coordination of the National strategic framework for the upgrading of Vocational Education Training and Apprenticeships in the area of Attica

Regional Directorate for Primary and Secondary Education of Attica, is responsible for schools and teachers.

It is in charge of:

- 3.374 schools of both levels of education - primary and secondary and in particular 2.347 primary schools and 1.027 secondary schools
- 45.766 teachers (24.178 in primary education and 21.588 in secondary) of all disciplines work in these schools.
- 429.761 students

50 people work at the offices of the Regional Directorate in addition with a big number of School Consultants who work at their own offices.
